Title I School Council Parental Engagement Meeting

Home of the Bearcats

March 22, 2016 Richmond County Boardroom Auditorium at 5:00 p.m.

Meeting Minutes

The Blythe Elementary School Council meeting was scheduled for the same date as the districtwide meeting. We decided to have our final meeting at the Board. The meet and greet session began at 5:00 p.m. and ended at 5:45 p.m. Two parents from Blythe Elementary School attended the districtwide meet and greet session as well as the meeting. Mrs. Ward, the principal and Cassandra Rogers, the Administrative Intern were in attendance. The meeting was held in the Boardroom Auditorium. Dr. Pringle shared information concerning Strategic Waiver School System. Next, she shared information about the purpose of the school council. Afterward, she highlighted the school improvement process.

Before the meeting adjourned Dr. Pringle allowed participants to ask questions. A gentleman from the audience asked about class size. Dr. Pringle shared a document that indicated the maximum class size at various grade levels. Several other questions were addressed and the meeting was adjourned. The next meeting for the districtwide school council will be June 16, 2016. The next school council meeting date for Blythe Elementary will be in September 2016. The exact date will be announced at a later date.
