SNACK FOR SUCCESS PROGRESS REPORTS

September 1, 2016

Dear Parents/Guardians:

*The faculty and staff cordially invite you to pick up your child's progress report and join "Snack for Success", because here at Panther Nation-Pine Hill is living it RICH, and you have to earn it (Responsible, Intelligent, Capable, and Hopeful for the Future.) You may come at your child's grade-level planning time **only**. This is the time that is set aside to pick up progress reports. Parents can set up a conference with your child's teacher with the guidance department if needed.*

The planning times are as follows:

6th grade planning: 9:15 -10:45

7th grade planning: 11:45-1:15

8th grade planning 1:45-3:15

The faculty and staff of PHMS hope that all parents plan to come out and be a part of "Snack for Success."
