EARLY COLLEGE at LANEY HIGH SCHOOL

Mr. Virgil Smith,
Principal

Mr. Douglas Jackson,
Assistant Principal

Dr. Marva Tutt,
Assistant Principal

What is EARLY COLLEGE?

Lucy C. Laney's Early College program is a partnership with Lucy C. Laney High School and Augusta University. The Early College will offer rigorous instruction and accelerated courses with an opportunity to attend college while earning a high school diploma. Students will be able to complete up to two years of college credit at no cost to students.

ADVANTAGES

1. Accessibility for a wide range of students to receive up to 60 college credits or 2 years of college.
2. Prepare for college with early experience in undergraduate studies on a college campus.
3. Money savings. Average student loan debt is \$37,172. for college graduates of 2016. With two years of college, student loan costs can be cut in half or eliminated through scholarship, work-study, etc.
4. A multi-year study, shows that nearly 25% of graduates from early-college earned a college degree compared to 5 percent of their peers in regular high schools.

Who is eligible to attend?

- Students who may be the first in their family attend or graduate college
- Students who may or may not be eligible for free/reduced lunch.
- Students who have the drive and motivation to be successful with rigorous college preparatory curriculum

OUR EXPECTATIONS

- The ability to complete accelerated work
- Self-motivation with a desire to excel
- Intellectually curious and critical thinkers
- A willingness to commit to college-level work
- The ability to work in a small school environment
- A consistent work ethic
- A positive representation of our school as founded by Miss Lucy Craft Laney
