Dear ARC 9th and 10th graders,

The administration of ARC are beginning a tutoring program that will focus on Algebra and Geometry. The program will be run by teachers and facilitated with the use of high achieving Juniors and Seniors. Tentatively, we will have tutoring on Tuesdays and Wednesdays from 3:00-4:30 pm and Saturday from 9:00 am - 12:00 pm. If you are interested in receiving tutoring one, two, or all of these days on a reoccurring basis, please fill out, detach, and return the form below. This is a terrific opportunity for you to help others and help yourselves.

Sincerely,

Criston Jensen
Principal
