Essay

Please type your response to the following question (no less than 700 words) and attach to this document.

What African American woman is your Shero and what traits, if any, do you share with your Shero? Explanation of Shero: Hero is defined as “a remarkably brave person: someone who commits an act of remarkable bravery or who has shown an admirable quality such as great courage or strength of character; and/or somebody admired: somebody who is admired for outstanding qualities or achievements”. A Shero is held to the same definition, but instead of a male, the brave and admired person is female. The Sister’s Only Club (SOC) takes the definition of Shero a little further and defines the term as ordinary women doing extraordinary things (i.e. mentoring, volunteering, and establishing non-profits) in their communities.
