

# RICHMOND COUNTY'S COUNTDOWN TO 2,017 VEGETABLES

GOAL: LET'S ENCOURAGE OUR STUDENTS TO TAKE PART IN  
OUR MENUS AND VARY THEIR VEGGIES!

## To kick off our new year, we will be hosting a recipe competition!

### Steps to enter the competition:

1.) Encourage each classroom to have students submit their favorite family vegetable recipe to you (the SNP manager) and your staff

2.) Look through your submissions. With your NAC group and your SNP staff vote on the recipe that would be most exciting to see on the spring menu cycle.

3.) Submit your final recipe to Arielle Weekley  
[weeklar@boe.richmond.k12.ga.us](mailto:weeklar@boe.richmond.k12.ga.us) by January 31st

4.) There will be one winning submission for Elementary and Middle schools and one for High schools. The two winning submissions will be incorporated into the spring menu!

5.) Let's strive to receive 2,017 new recipe submissions as a county! Save all your submissions and count them. Please send your total submission count to Arielle Weekley . You and your school with the highest number of submissions will be recognized in our district wide newsletter!

Overall  
winning students &  
managers will  
receive gift  
cards from  
SNP!
