

Parents and Guardians:

Summer School forms were sent home for those students who were failing a course (s) as of the third nine weeks of school. When final report cards are completed, your child will need to retake any course, **in Summer School**, that is not passed with a 70 or higher, in order for your child to return to RCTCM in the fall. Even if your child did not bring home a summer school form, they are still required to pass all classes with a 70 or higher. Please have your child return their signed Summer School form to guidance as soon as possible. Students will attend summer school at their home zoned school.

Thanks so much for your support this school year!
