

# The Tiger's Roar Newsletter

May 2016 Edition

## Principal's Corner

Thank you for a fantastic 4 years! I am astounded over the accomplishments our TCM Tigers have accomplished over the past 4 years. It takes the collaborative efforts of parents, teachers, office staff, custodians, school nurse, food nutrition, and stakeholders to build a school community that is devoted to doing what is right for our student's. Thank you to our TCM teaching staff, they are a remarkable group of educators that care deeply for the students they serve. Each day, they work diligently so that our students have access to a rigorous academic program, but they also never lose sight of the fact that they are working with the most precious commodity of the community. Before we close the book on another school year, I would like to congratulate the Class of 2016! For each and every one of you, I wish you the confidence to embrace new ideas and people, a willingness to learn from mistakes and a lifetime of learning and personal growth. Continue to be a White Tiger! Make us proud as you transition to your 2<sup>nd</sup> post-secondary education, military or world of work. Have a great summer! Love ~ Principal Kelly
