Courses III through Algebra

Destination Math

Destination Math[®] plays a key role in helping students master the essential Georgia Performance Standards (GPS) and higher order thinking skills to prepare them for success in school and continuing success in life.

A comprehensive K-12 math program, Destination Math transforms math instruction and bolsters student understanding through a highly interactive web-based learning environment. Students develop fluency in critical reasoning, conceptual understanding and problem-solving skills.

Ideal for students who require explicit instruction, Destination Math provides a systematic format by first introducing students to the topic and objective. Voiceovers, graphics and dialog boxes give students clear instructions for every task and activity. Students are encouraged to think independently, but are never left without support to guide the instruction.

Destination Reading[®]

Incorporating strategies for special needs, English Language Learners, on-level, below level, above level, and reluctant readers, Destination Reading gives *all* students the opportunity to participate as fully as possible in the GPS curriculum.

As today's classrooms become increasingly diverse in experience and the demand for accountability rises, Destination Reading focuses on the achievement of transformative, incremental reading gains at all development levels – from early elementary through eighth grade.

Destination Reading engages early learners in a variety of activities that build mastery. The program includes over 90 texts, drawing from fiction, nonfiction, songs, poems and plays.

Richmond County Schools

Parent Guide to Destination

“Learning Today...
Leading Tomorrow”

The Mission of the Richmond County School System is to educate students to become lifelong learners and productive citizens.

GETTING STARTED

Plugins

Destination requires Macromedia Flash Player and Shockwave Player. Pop-Up Blockers must be disabled for <http://rd.richmond.k12.ga.us>

NEED TECHNICAL ASSISTANCE?

Contact Destination Tech Support

- Telephone: 1-888-327-2906
- Email: schoolsupport@riverdeep.net

LOGGING IN TO DESTINATION

Step 1: Open your web browser, usually Internet Explorer (not AOL)

Step 2: Type the Richmond Destination web address <http://rd.richmond.k12.ga.us> to go to the [Log In Screen](#) For future access save web address to web browsers favorites

Step 3: Enter Child's Username and Password

Step 4: Click the green **LOG IN** button
