WE BELIEVE...

...in the power and truth of individual student voice.

...in the "whole child" approach to education; academic and life success are contingent upon physical, social, and emotional well-being.

...all students deserve equitable tools to fulfill their potentials and confront the obstacles of everyday life.

...our students and families can overcome barriers and create college/career ready graduates that are prepared for life in a technological and ever-changing world.

Every student deserves access to:

Academic Opportunity

Basic Needs

College & Career Transition

Community Services

Health & Wellness

Safety & Justice

WRAPAROUND SERVICES

Social Service Referrals

Success Center staff can assist students and families coordinate services, resources and the referral process for local community agencies serving students and their families.

Clothing Boutique

A community clothing closet that is open to all stakeholders at no cost. We also offer school supplies and personal hygiene products. The Clothing Boutique also houses a washer and dryer in order to support students who do not have the means to keep their clothing clean.

Our Mission

To remove barriers that can impede students from succeeding Through a culture of collaboration and respect. our hope is to give students a clear voice and provide relevant services and programs that are equitable and easily accessible.

Our Vision

To equip students and families with tools and resources that promote self - sufficiency.

Behavioral Health Services

Offers students individual counselors through a number of providers that collaborate with the Richmond County School System. Students can self-refer or be referred by a friend, parent, teacher or community member with concerns about a student. The Success Center also offers small group counseling based on needs that students request.

Food Market

A community food pantry that provides for all community stakeholders who have food insecurities.

Geneva Stallings Parent Resource Room

Supplies parents and guardians with educational tools to help their children succeed in the classroom. The Resource Room is equipped with a telephone & computer with internet access, & printing capabilities for parent use.
