Both USB flash drives and CDs are very durable compared to previous storage devices. USB flash drives have replaced CDs for many applications. Describe four advantages of using USB flash

4. Add items to assessment.

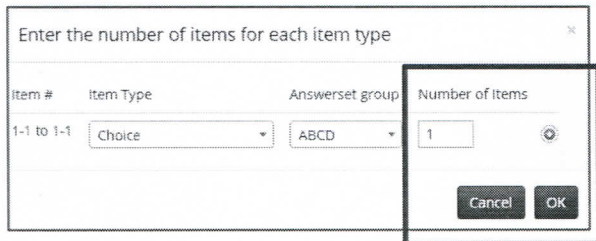

## NOTES

## STEP 2 (Scanning Track): Create an Answer Key

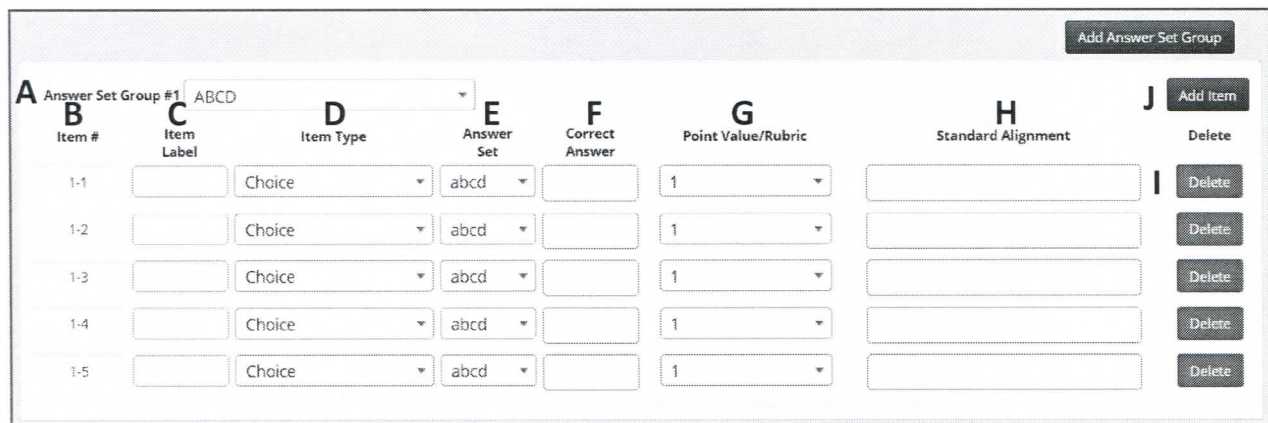

1. Slide Answer Key Only toggle to "On."

2. Select number of items desired on the test.
3. Select OK.

4. Configure the Items.
  - a. **Answer Set:** Adjust type of answer choices for the Choice items in the set group
  - b. **Item #:** System item number that cannot be edited
  - c. **Item Label:** User-defined label limited to 5 characters
  - d. **Item Type:** GradeCam scanning only supports Choice items
  - e. **Answer Set:** Selected at the answer set group level
  - f. **Correct Answer:** Enter the correct response for the item
  - g. **Point Value/Rubric:** Enter the point value for the item
  - h. **Standard Alignment:** Search and add one or more standards
  - i. **Delete Button:** Remove an item
  - j. **Add Item Button:** Add additional items

# Administer the Test

**STEP 4 (Both Tracks): Choose the appropriate option from the “Select” drop-down menu under the Administer column**

The screenshot shows the 'Test Center' interface. At the top, there are filter buttons for 'Course Subject', 'Assessment Category', and 'Test Grade Level'. Below these is a table with columns: Course Subject, ID, Test Title, Edited Date, Scored Students, and Administer. Two test entries are visible: 'Math' with ID '285639' and 'Math' with ID '294342'. The 'Administer' column for the second test has a 'Select +' dropdown menu expanded, showing options: 'Download Test', 'Release: Online / Paper Based', 'OLA Student Admin', 'Scoring Assignment', 'Download Answer Key', and 'Online Scoring'.

OPTION	DESCRIPTION
Download Test	Download a printed copy of a test with items (N/A for AKO Tests)
Release Online/Paper Based	Release a test for online testing (OLA) OR Download the blank or preslugged scan sheets for paper-based testing
OLA Student Admin	Access OLA Student Admin to monitor online testing
Scoring Assignment	Access the Scoring Assignment to score rubric items on the test
Download Answer Key	Download the Answer Key associated to the test
Online Scoring	Access Online Scoring (if it has been enabled in the Administration options) to score all items on the test

# Online Testing

## STEP 1: Go to the Richmond County Schools URL for Student Online Testing

## STEP 2: Students enter their student login and password

A screenshot of a login form titled "Enter Your Username and Password to Begin". The form has two tabs: "Student Login" (selected) and "Teacher Login". Below the tabs are two input fields: "Student Login" and "Password". At the bottom is a large "Login" button.

**Student Example:** John Smith Student ID: 300002718

**User Name:** first initial, last name, last 6 digits of student id  
e.g. jsmith002718

**Password:** first initial, last initial, last 6 digits of student id, @  
e.g. js002718@

# TEST Action Plan

---

<b>T</b>	What is the most important <u>thing</u> you learned from this session?
<b>E</b>	What <u>endeavor</u> would you like to undertake on that idea?
<b>S</b>	What obstacle(s) might <u>stand</u> in the way of your endeavor?
<b>T</b>	What are the <u>terrific benefits</u> you would receive if you successfully completed your endeavor?

# Online Scoring

1. Go to **Test > Scoring – Online Scoring** or **Test Center > Select Menu – Online Scoring**

2. **Select a test** from the drop-down menu provided

(Note: A test must have the “Enter/Edit Responses” box checked to appear in the list)

The screenshot shows the 'Online Scoring' header. Below it, there is a section with 'Additional Filters' on the left and a 'Test Title' dropdown menu on the right. The dropdown menu is open, showing 'Sample Writing Performance Assessment Training' as the selected option. Below the dropdown is an 'Add Student Filter' button.

3. Use the tabs to select the desired view:

a. **Score by Student View:** Enter/edit responses for all items for one selected student

The screenshot shows the 'Score by Student' tab selected. To its right is the 'Score by Item' tab. Further right is a checkbox labeled 'Show Only Finished Students' which is checked. Below the tabs is a dropdown menu labeled 'select a student' with the text 'A#####, S#####' and a downward arrow.

b. **Score by Item View:** Enter/edit responses for all students for one selected item

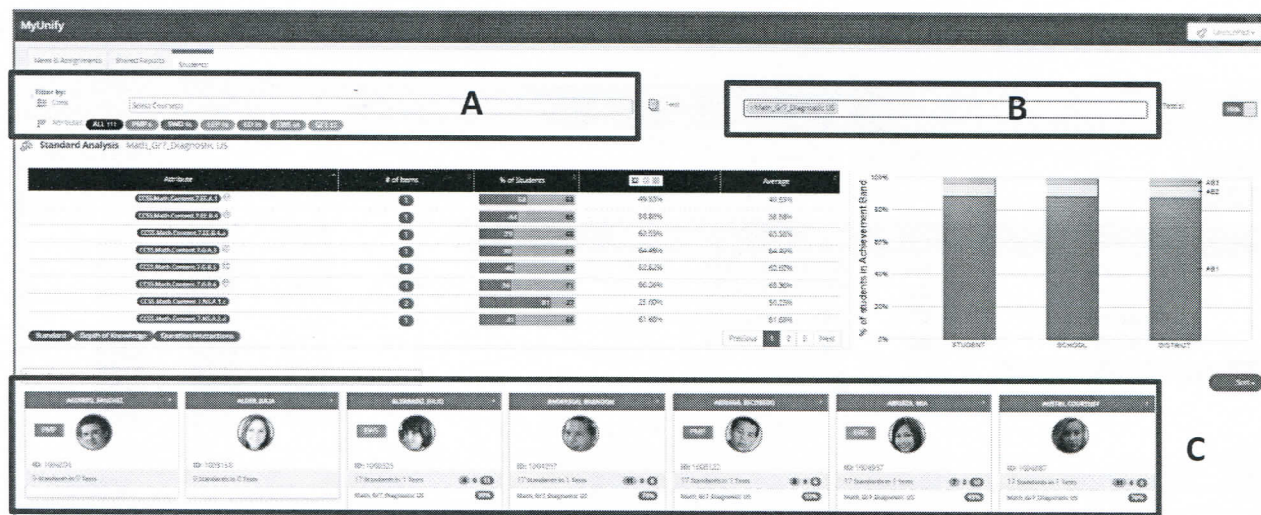

The screenshot shows the 'Score by Item' tab selected. To its left is the 'Score by Student' tab. Further right is a checkbox labeled 'Show Only Finished Students' which is checked. Below the tabs is a dropdown menu labeled 'select an item' with the text '1-1' and a downward arrow.

4. **Select the correct score** from the drop-down menu in the Response column

The screenshot shows a table with columns 'Item', 'Score', and 'Response'. The 'Item' column has a value '1-1'. The 'Score' column has a value '0'. The 'Response' column has a dropdown menu open, showing three options: '2ELA Text-based Writing Rubrics Grades 6–11: Informative/Explanatory - Purpose, Focus, and Organization', '2ELA Text-based Writing Rubrics Grades 6–11: Informative/Explanatory - Evidence and Elaboration II(1099', and '2ELA Text-based Writing Rubrics Grades 6–11: Informative/Explanatory - Conventions of Standard English'. Each option has a '- Unscored' label and a downward arrow.

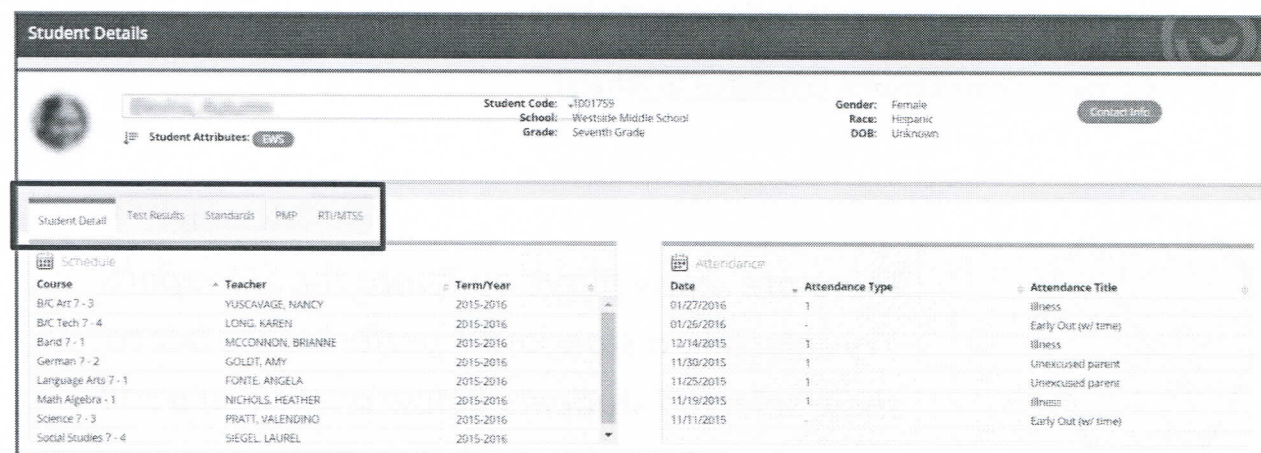

# MyUnify

MyUnify is the home screen for all users or accessed through the Reports > MyUnify menu

- Use filters to narrow down the list of students being viewed
- Select a test to see class performance by standard, a comparison chart and student results
- View individual student data and select card to drill down to the Student Detail Report

## Student Detail

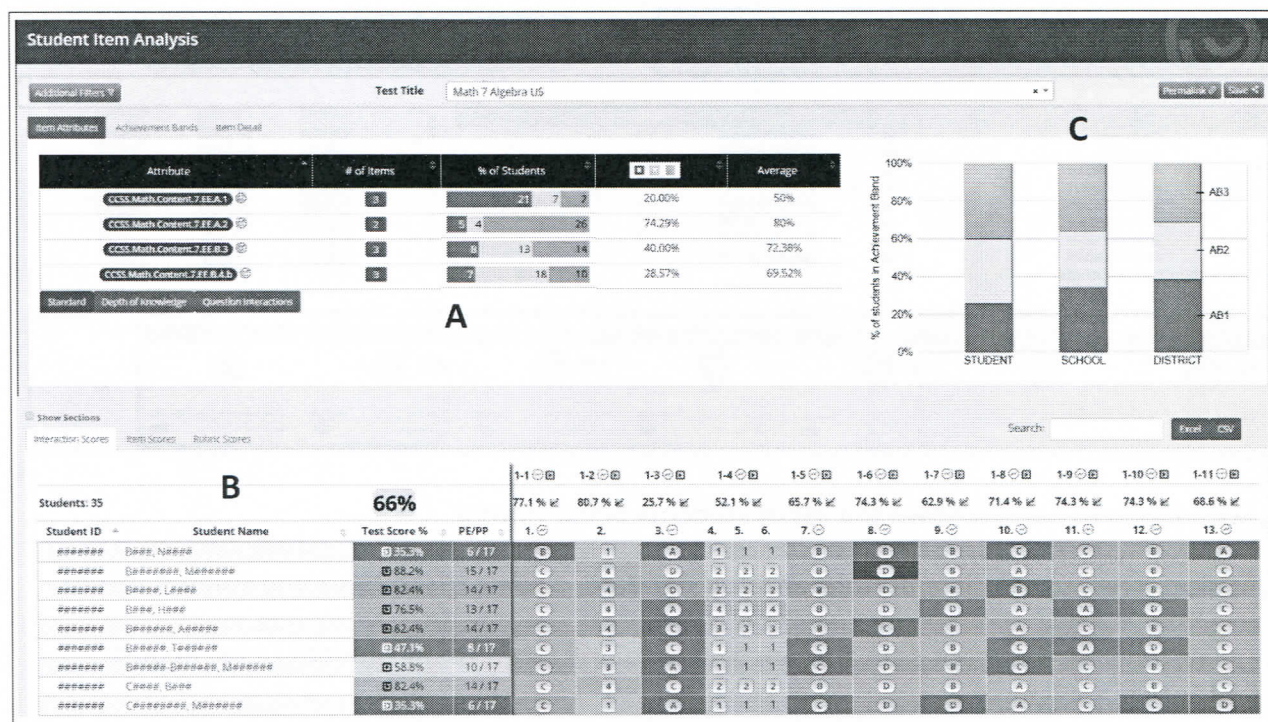

Use the tabs to navigate and view different data points about the student

# Student Item Analysis (SIA)

**Purpose:** Analyze how students performed on a single test

**Access:** Reports > Student item Analysis

- How did my class perform on standards?
- How did each individual student perform on the test?
- How did my students perform compared to others?

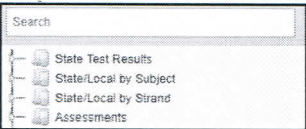

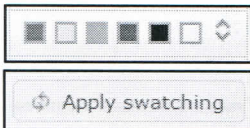

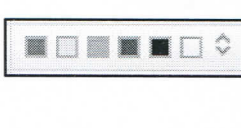

*There are many filters built into the SIA report. Try selecting a standard's performance bar to show selected students below or click on a cell in the interaction table to see the item!*

# Baseball Card (BBC)

**Purpose:** Select multiple assessment measures to compare results

**Access:** Reports > Baseball Card Report
