

MEET THE TEACHER

INTRODUCTION

Dear Parents and Guardians,

I am Tawanda Marbury, delighted to be your child's third-grade teacher this year. With nine years of experience, including my start as a paraprofessional for special needs students in 2014, and an Education Specialist Degree, I am committed to fostering a supportive learning environment. I was honored to be a 2023 Richmond County Teacher Finalist.

In my spare time, I enjoy family time with my husband and our two teenage children. I believe that a strong partnership between parents and teachers is key to your child's success.

Warm regards,
Tawanda Marbury

3. Published author
4. NTA certified tutor

TEACHING PHILOSOPHY

I believe every child can thrive in a supportive environment. By using diverse teaching strategies and fostering critical thinking, I create a respectful classroom. Collaborating with families enriches student success and empowers them as independent thinkers and compassionate citizens.
