

John M. Tutt

Middle School

Welcome Back!

My name is Molly Niday and I am excited to join the team at Tutt Middle School as the band and chorus teacher!

I am excited to continue to bring Tutt students a variety of musical opportunities including pep band, school concerts and district events. A complete calendar of events will be handed out and posted on my school website when the dates are finalized.

In addition to performances, I am also a true believer in aiding students in preparation for the “real world”. Music is such a great way for students to learn skills such as time management, responsibility, and collaboration while having fun!

I truly have a passion for working with middle school students and am excited to get started! If you have any questions please do not hesitate to contact me.
