

Dear Families,

To keep our students and staff healthy, we will be implementing a learn from home plan to keep the learning going during this unique time. We care about your child's well-being, and we hope that all families practice extra germ-fighting precautions such as extra hand-washing, getting plenty of sleep, eating a healthy diet, avoiding touching your face, mouth, or eyes with your hands and social distancing. The Second Grade Learning Packet was created to help assist your child in their learning during this at-home learning time. Please work through this packet and use the online resources listed below. Above all else, take care of your family. We look forward to seeing you soon.

Directions for Second Grade Learning Packet

Complete Morning Work pages numbered 131-135, Math and Language Arts worksheets 105-107, pronoun practice worksheets, and worksheets with comprehension questions from the Reading Street textbook for Exploring Space with an Astronaut pages 46-61. Two Social Studies Weekly magazines on Jimmy Carter are included to be read and completed. Students will take home their math practice workbook and complete all Topic 12 pages, 12-1 through 12-8, and one Step Up page and one Common Core Practice page from the back of the book. A Culminating Task Booklet for Second Grade math is being sent home for additional math problem solving activities. Science textbooks are being sent home for students to complete Unit 3, Objects in the Sky pages 77-124. Students will take 2 A.R. library books home. Please remember to return completed assignments and textbooks when school resumes.
