Welcome to the music program at W.S. Hornsby K-5 Elementary School! Each student in grades Kindergarten through 5th Grade will be participating in 45-minute music classes once a week. Students will be actively participating in music class by listening with a purpose, singing, playing instruments, engaging in movement, and creating/writing music.

My name is Mr. Lamb, and I am both proud and excited to be working and teaching the wonderful students here at W.S. Hornsby Elementary School!
