

# MEET THE TEACHER!

## TEACHING LIFE...

This is my 23<sup>rd</sup> year of teaching. I have been on the faculty at Lake Forest Hills for the last twenty years. I have taught Kindergarten, Fourth Grade, Fifth Grade, and Grades K-5 in the Science Lab. For the last five years, I have served as the IB/PYP Coordinator for our school. I have worked with small groups of students in book clubs during our school-wide intervention block. Virtual teaching is new for me, but I'm looking forward to working with you and your Kindergartener this year!

**MS. COLEMAN**

## PERSONAL LIFE...

I am mom to Mason (18) and Evan (16). Mason is a Freshman at Augusta University and Evan is a Junior in high school. We have two Yorkies, Chloe (16) and Macie (4). I love to read, listen to music, garden, and watch movies in my spare time. I grew up on a dairy farm, so I have a strong appreciation for living things and watching things grow.

### MY EDUCATION:

I graduated from Jenkins County High School in Millen, Ga in 1992. I attended Augusta College as a Faculty/Alumni Scholar. I graduated from Augusta State University in 1996 with a Bachelor of Fine Arts in Early Childhood Education. In 2006, I graduated with my Masters in Educational Administration and Leadership from Cambridge College. Every piece of my educational path has helped mold the person and the teacher I am today. I learned from some of the very best educators, and I constantly try to put into action the things they taught me.
