PE

Ride your bike

Take a Walk

20 Jumping Jacks
10 Sit Ups
10 Push Ups
10 Kangaroo Hops
10 Bear Crawls

Jump rope

MUSIC

Sing a song about what you did yesterday.

Use repeated rhythmic speech with claps and pats to list your family members

While listening to instrumental music, use high, middle, and low hand movements to show a story.

Create an instrument using recycled materials: drum, shaker, or bumpy one for rubbing.

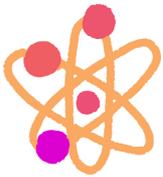

This will be available on the LFH Homepage with working links

3-5

Choice Board

Choose a choice from the specials class you would have visited at school today. This choice board is organized in rows by specials class.

STEAM

Engineer a marble maze using materials you have at home. Take pictures and have your parents share with me on DOJO.

Practice coding online by playing RodoCode
Click Play Online to play on the site

Read about suspension bridges here. Build a model of a suspension bridge in the United States using materials you have at home.

Research coding robots for kids online. Which robot do you think would be best for 3rd - 5th grade? Write a letter to Mrs. Hughey convincing her to buy the STEAM classroom the robot you chose.

ART

Draw yourself as a cartoon character.

Draw a landscape of an imaginary place.

Draw a comic book strip.

Create a digital drawing or play an art game on the Tate Kids website: Tate Kids

PE

Make an obstacle course

Exercise at least 15 minutes for fitness gram

Help plan a healthy meal

Learn a new dance

MUSIC

Sing a song about what you did yesterday. Use different speeds (tempos)

Use repeated rhythmic speech with claps and pats to list your family members. Add pitches to change the speech to melody.

While listening to instrumental music, use high, middle, and low hand movements to show a story. Add some foot choreography too.

Create an instrument using recycled materials: drum, shaker, or bumpy one for rubbing. Name the colors or greetings in Spanish as you play it.

This will be available on the LFH Homepage with working links
