# Meet the TEACHER

## ABOUT ME!

I have been teaching for 7 years. This is my 4<sup>th</sup> year teaching 1<sup>st</sup> grade, and it is my favorite! I

love making sure students have a great foundation by providing an engaging classroom environment where learning is fun and exciting!

Let's have a fantastic year!

**Hometown:** Augusta, GA

**Education:** Masters in Elementary Education, Ball State University

## FAVORITE THINGS:

**Food:** Popeyes, Mexican and Thai

**Colors:** Orange, Yellow, and Gray

**Hobbies:** Going to concerts and traveling

**Fun Fact:** All 9 of my kids have attended Monte Sano!

# ATTENDANCE

**School attendance is one of the most important parts of student success!**

**Please ensure that your student attends daily, as we have so much to learn in the 1<sup>st</sup> grade. Please send a note when your student returns from an absence so that I can turn it into the office. The school will accept and count 5 days of parent notes. All other notes should come from the doctor/dentist. Please avoid scheduling appointments on Fridays as this is the day we reserve for assessment.**

## **Tardies**

**Please keep in mind that 10 tardies=1 absence. School opens at 7:00 for breakfast and the bell rings at 7:30. We begin important phonics instruction at this time. Please make it a priority to make sure your student arrives on time so that they don't miss out on this important time.**

**Thank you so much for your support!!**

# HEALTH & SAFETY PROTOCOLS

Please ensure that your student has an up-to-date health card and that all allergy or medication information is shared with the nurse. If your student gets sick or hurt during the school day, they will be sent to the nurse. Teachers are not allowed to make decisions about students being sent home.

In case of a minor bathroom accident, please pack a change of clothes, socks, and underwear.

Updating your Infinite Campus Parent Portal with all the correct contacts and phone numbers is *tremendously important*. Thank you for your support in this.

# BEHAVIOR

## EXPECTATIONS

Students will have a daily take-home folder that will need to be checked when they get home. Please be on the lookout for important documents, homework, signed papers, and student work. Most importantly, their daily behavior chart will need to be initialed every day. It is important that the student knows that you and I are working as a team to ensure that they are on their best behavior daily, and reviewing and signing this document helps so much with this. Checking their Class Dojo profile will also provide a lot of insight on their daily behavior.

# GRADING

1<sup>st</sup> grade has a Standards-Based Grading system. Here is a chart to assist in understanding the process.

<p><b>4</b> Advanced Understanding of the Standard</p>	<p>You add your own ideas, perspective, and style into what you do. You are confident and are reaching for the next level of proficiency.</p>	
<p><b>3</b> Meets the Standard</p>	<p>You consistently meet the target proficiency level, and you are ready to move on.</p>	
<p><b>2</b> Approaches the Standard</p>	<p>You can meet the target proficiency level in familiar tasks and situations.  You know what to do to meet the target proficiency level, but you need extra help.</p>	
<p><b>1</b> Does not Meet the Standard</p>	<p>You know what the target proficiency level is, but you are confused and probably frustrated. You need some help to get started.  You miss opportunities to demonstrate what you can do because you are often distracted, not participating, or absent.</p>	

\*N/A= The standard was not taught during this period

\*N/D= The student is performing significantly below grade-level
