

Dear Parents,

March 17, 2020

We have sent a pack of work, I-Ready information and a weekly newsletter. Students should complete one I-Ready reading and one I-Ready math lesson daily. We realize that everyone's schedule will be a little different. We have tried to be flexible in our planning, but remember that learning must go on. Please use these resources to further your child's education and if you need additional resources please reach out to your teacher via email. We will be checking our email daily. Plan on sending back all completed work so that we can assess students' learning. We also realize that some of you may not have access to the internet or a computer so we have included supplemental work for times that we require online learning.

Thank you in advance for your partnership in your child's education.

Kindergarten parents ROCK!
