## Principal's Corner

Good day and Welcome to the Principal's Corner,

This year is flying by as we enjoy the beauty of educating, loving and nurturing our students here at Terrace Manor Elementary School. As we quickly descend upon another grading period I want to remind students to stay focused and to stay the course. We have had so many things to celebrate lately that I can hardly place them all in this newsletter.

Our Positive Behavior Intervention Strategies Team sponsored a Popup party for all of the students who were doing things the Terrace Manor way and staying out of trouble. There was a good time had by all. Nothing is better than a surprise!

Our Black History Month was a success as we started the month off with a releasing of balloons by the faculty, staff, and students. There was a Black History moment shared each morning by students from Pre-K to 5<sup>th</sup> Grade. Later in the month we had a Black History program by the 2<sup>nd</sup> grade students.

We have the only elementary school with a basketball team and we have enjoyed quite a bit of success in the YMCA League. Shout out to Belle Terrace Church who have sponsored our basketball team the past three years. This year we made it to the playoffs (as we have every year) and came in second place (as we have every year thus far). Congratulations to our team. As a reward, the team enjoyed a luncheon with the Principal along with other students who were chosen for their unrelenting respect and representation of our character word. Our esteemed Flag Team also joined the celebration.

Terrace Manor is currently entering into our Georgia Milestones Blitz where we change things around to accommodate higher echelons of learning prior to the testing window opening. Please ensure that you are supporting us in this effort by speaking to your children about the seriousness of this endeavor. Thank you in advance for your assistance.

As always, if there is a situation that you and your child's teacher cannot resolve, please do not hesitate to call me at (706) 0796-4910 or via e-mail at [LeeMa@BOE.Richmond.k12.ga.us](mailto:LeeMa@BOE.Richmond.k12.ga.us)

Major Lee  
Principal  
Terrace Manor Elementary School

## Parent Teacher Conferences Tips

Parent teacher conferences let you take part in your child's education. It's important to consult with your child's teacher about academic subjects, social skills and emotional development. Remember, you and the teacher are a team—working together.

Following these tips will help you be better prepared to make your conference more effective:

- **Prepare questions in advance.** What groups has my child been assigned to? Is my child finishing the work assigned in class? The most important question of all is "How can I help my child at home?"

(continued on back)

## Upcoming Events
