Pencils
Erasers
Paper

mathematic units

- 1 Number System Fluency
- 2 Rate, Ratio, and Proportional Reasoning
- 3 Expressions
- 4 One Step Equations and Inequalities
- 5 Rational Explorations
Numbers and Its Opposites
- 6 Area and Volume
- 7 Statistics

grades

food and drink policy

Food and drinks are NOT allowed in my class.

assignment formatting

All assignments must have your **NAME, DATE, and CLASS PERIOD** in order to be graded.

policy for absences & grades

Weekly and daily work will be updated weekly (classwork, interactive notebook, and quizzes). Please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If you are absent, you are responsible for completing your make-up work (one day for make-up for each day absent).

All make-up work will be placed in your classes absent folder and your name will be written on any work you missed. It is your responsibility to ask a classmate or me for help on making up any interactive notebook assignments (you can always borrow my notebook), and/or to meet with Ms. Casanova to make up any tests, quizzes or papers.

If you know you are going to be absent beforehand, you should ask me for your make-up work before the absence. This can be done before or after school or via e-mail.

homework

Most work will be able to be completed in class if students use their time wisely. The exception to this would be additional practice and/or a review. Some work may need to be done outside of class to get additional practice or to prepare for an assessment.

If students do not complete work during class, in the time allotted, it will be assigned as homework.

electronic devices

Electronic devices should be kept in students backpacks. Devices should not be out during class, unless otherwise instructed by the teacher or with permission.
