

## ONLINE TUTORING

---

Richmond is pleased to partner with FEV Tutor to introduce an entirely new tutoring experience for Richmond students. Now students can access FREE online tutoring 24/7 from any computer or tablet with an internet connection! Students can now work 1-on-1 with a professional tutor to help them through difficult homework assignments, catch-back up to grade level, study for exams, and much more!

## SIGN UP TODAY

---

Signing up is simple! To begin tutoring all you need to do is send an email to [ga@fevtutor.com](mailto:ga@fevtutor.com) with your name and preferred tutoring schedule.

---

# 1:1 ONLINE TUTORING

FEV Tutor pairs Richmond students with their own professional tutor from any computer or device with internet. They login through their Launchpad to access tutoring anytime between 7:00 am - 11:00 pm any day of the week! We have tutors available to help students Math, ELA/Reading, Social Studies, Science. We create a data-driven, personalized tutoring plan to make sure your student is working on their specific need areas to help them improve grades increase understanding, and meet their academic goals!

## Live, 1:1 Support

---

Eligible students can now receive school sponsored online tutoring. Tutoring is accessible from any computer with internet through their Launchpad.

## Flexible Scheduling

---

Tutoring can be scheduled **ANYTIME from 7:00 am - 11:00 pm**. FEV Tutor works directly with your family to develop a customized tutoring schedule that works for you and your student.

## High Quality Tutors

---

Students will be paired with their own highly-qualified tutor. You will meet with the same tutor consistently on a weekly basis.

## Personalized for each Student

---

FEV Tutor will analyze student benchmark data to develop a **Personalized Tutoring Plan** designed specifically for YOUR student. Tutoring is aligned to PCA curriculum and designed to help your student achieve their academic goals.
