

AGRICULTURAL AWARENESS WEEK

MARCH 22-26, 2021

Join us to learn about and celebrate the people, communities, and products that make up Georgia's largest industry, agriculture!

MONDAY: HANDS-ON SCHOOL GARDEN DAY

We will hear from a local beekeeper about the importance of pollinators and take home "seed bombs" to plant at home to help the birds, bees, and butterflies!

TUESDAY: MAKE MY PLATE GEORGIA GROWN DAY

Taste-testing with School Nutrition of a recipe using Georgia-grown products and learn how to make this tasty and nutritious snack at home!

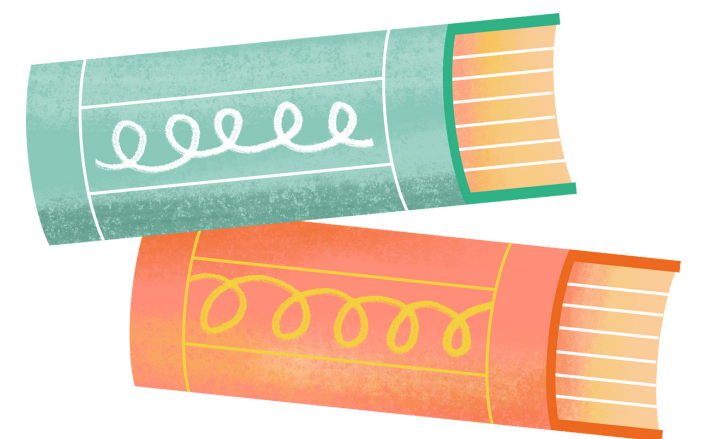

WEDNESDAY: BUY GEORGIA GROWN DAY

Virtual presentation about farmer's markets and the importance of supporting our local farmers

THURSDAY: AG LITERACY DAY

Listen to a read-aloud of Farmer Will Allen's Growing Table to learn about a true story of someone changing their community through farming!

FRIDAY: AG HERO DAY

Take a virtual field trip to a local farm and write a note to farmers thanking them for the food and fiber they provide for us everyday!

DRESS LIKE A FARMER! (overalls/jeans, plaid shirts, straw hats/baseball caps)
