

## •• SAVE THE DATE ••

### 2025 STEM Career Connections® Virtual Event

• Pre-Recorded Video •

#### WHEN?

October 27 - November 14, 2025  
(3-weeks to show the video to students)

#### WHAT?

A pre-recorded video featuring local industry experts sharing valuable insights into career and education pathways.

The goal is to help students better understand the wide range of career opportunities available in our region, from a high school diploma to more than four years of college education.

#### WHY?

- Discover a variety of exciting local careers.
- Get exclusive behind-the-scenes tour of each company.
- Receive expert career advice from professionals.
- Learn valuable tips for building a successful career path.

#### WHO?

All high school students (freshman, sophomore, junior, senior)

#### HOW?

Video link information given to educators.

#### COST?

Free

#### CHANCE TO WIN A PRIZE

All students and educators who watch the video and complete the post-event survey will be entered for a chance to win an **APPLE WATCH!**

**MORE DETAILS COMING SOON!**

#### 2024 Educator & Student Comments

*I enjoyed watching this video because there were many role models to look up to, and to only think these are people 30 minutes away from me is crazy. I feel inspired by the people in the video and that I can make an impact in my community in some way.*

*I enjoyed that the video allowed people to share the experiences working at the company as opposed to just telling us what the businesses do.*

*This is a great video for both students and adults. I think this is a great way to show a snapshot of the different options in our area. I would love to see more of these kinds of videos so we can share with our students and parents.*

*This video was quite interesting and told me a lot about other jobs. It helped expand my knowledge and interest in other fields. I would like to know more and explore.*
