

Dear Parents,

Welcome to our 2021-2022 school year

My name is Daniela Varas, I am from Chile 🇨🇱 and I am so excited and honored to be teaching your child this school year.

I have been teaching English for 8 years. After I received my Masters Degree, I moved to the United States, this is my 4th year in the state of Georgia where I also taught Spanish for 2 years.

My goal is to help your child to be curious and open-minded and be ready to learn a second language. To accomplish these objectives, we will be making the most of our class time. My expectations are high; therefore, students will need to work hard and do their best. I can't wait to get to know you and your child better.

Please feel free to contact me at any time if you have questions about homework, what's going on in the classroom or if you just want to check in on your child's progress. The best way is via email, especially during school hours, I will respond to your email as quickly as I can.

Respectfully yours,

Mrs. Daniela Varas
