Remember: Wake up early and get dressed, take frequent breaks (snacks and outside time), establish a distinct learning area, and turn on closed caption when viewing video content.

### 2. Check the Lake Forest Hills website for a list of websites and activities.

Check your child's teacher's class page for pacing guides and up to date lessons and assignments. Watch Dr. Driggers on the morning show each morning. Go on your launch pad to complete I-Ready lessons, play First in Math, and read books on MyOn.

Check the LFH Facebook page.
