**Fieldtrips:** • We will not be able to have any field trips off campus at least for the first part of this year, but we will have various field trip opportunities online during the year to attend concerts, special events, etc.

**Class Policies:** Orchestra students are expected to adhere to the following rules both in class and out, including at all after-school rehearsals/performances and at away events:

- 1) Students should arrive to class on time (physically in the room at the bell) and immediately begin to prepare for class. Students will enter the room through the door closest to the front office and exit out the back door. Backpacks will be kept with the student. When retrieving instruments from the lockers, cello/bass racks or instrument storage room, students must take turns and maintain social distance.
- 2) Each student will have their own individual music stand. Therefore, students should bring all necessary materials to every class, including their instrument, music binder and pencils. **A sharpened pencil should be on the stand at every class/rehearsal.**
- 3) Students should be respectful of their own property, as well as the property of others. Repairs cost money which could be better spent elsewhere.
- 4) Students should strive to make the best use of their time. Rehearsals will be held in a professional manner. All extraneous talking/playing should cease when the director steps on the podium and when the director stops the ensemble to give corrections/directions.
- 5) No food or drink allowed in the orchestra room except with permission and only at the table!
- 6) If you move a chair or stand, please return it to where you found it at the beginning of class. If you use DFA rosin, tuners, shoulder rests, cello straps or bass rock stops, please return them to where you found them.
- 7) **Students are responsible for the events listed on the DFA Orchestra calendar. A chronological list of important dates will also be handed out the first full week. PLEASE CHECK THE ONLINE CALENDAR REGULARLY AS IT WILL HAVE THE MOST UP-TO-DATE INFORMATION. The calendar can also be printed. DFA Orchestras now have a Facebook page, too. Please “like” us!**

<b>Grading:</b>	Performances/Rehearsals	30 %
	Quizzes/Tests/Projects	30 %
	Classwork/Homework	40 %
		<hr/> 100 %

### **Evaluation of Grading Components:**

- 1) **Performances/Rehearsals/Exams - 30 %**
  - **Students are expected to be present and participating in all required rehearsals leading up to a performance, as well as all performances.**
  - Students should be on time and prepared for rehearsals and performances.
- 2) **Quizzes/Tests/Projects - 30 %**
  - Testing methods will include written tests, as well as playing tests.
  - Solo and small ensemble playing will also be encouraged. Group and chair placement may not always be based on level, but with peer mentoring and other considerations in mind.
- 3) **Classwork/Homework - 40 %**
  - Each week students will be given a personal responsibility grade based on their preparedness for class – instrument, music, pencil, evidence of practice outside of class, rehearsal/class procedures followed.
  - Students are expected to complete work by its assigned date, neatly and conscientiously.
  - Students should turn in original work. Cheating will result in an automatic “0”/disciplinary action
  - Late penalties will be according to the school-wide guidelines, 11% loss per day, and a “O” after three days
  - Make-up work will also follow the guidelines in the student handbook.
