# VIVACE ORCHESTRA CAMP

In its fourth year, this exciting new orchestra camp has much to offer from orchestra and chamber music to classes in alternative styles, music theory and history. Middle school and high school students with at least one year of experience receive a full day of instruction, and for the younger student, a half-day option is available. Both half-day and full-day students participate in the final concerts on Friday. Our outstanding staff and instructors make this an experience not to be missed! [Register today!](#)
