

Greeting Parents! Please allow me to introduce myself. My name is Jacquelyn Williams, and I will be your child's Physical Education teacher. I am looking forward to an exciting school year. I am eagerly awaiting the opportunity to get to know your child. I am sure there is much we will learn from each other.

This is my eleventh-year teaching, and I'm thrilled to be a part of the Hornsby team. I am a native of Augusta, GA, and I've also lived in Boston for seven years. I did my educational studies at Augusta State University.

Again, let me say how happy I am to be a part of your child's educational journey. If you have any questions, please feel free to email me at:
