There will be some instances where students might be able to complete hour requirements that are not indicated above. These opportunities will be announced as they arrive.

Students should come to the scene shop on the days they are attending practicum and sign in on his/her personal sheet in the practicum book. Students are expected to remain for the entire length of practicum (except for Saturday calls) and will be dismissed accordingly.

For Saturday work days students are required to work in 3 hour time slots and will sign up accordingly.
