EXTENDED LEARNING PROGRAM

Hello Parent(s),

Our school will be conducting an after school program this year that will begin on Tuesday, October 8, 2019 and end on Thursday, April 30, 2019. Times are 2:45 pm -4:45 pm, so participating students will remain at school until 4:45 pm. This program will be held three times per week on Tuesdays, Wednesdays, and Thursdays. Our school was named a *CSI (Comprehensive Support and Improvement) school* by the Georgia State Department of Education, identifying us as a school in need of additional support. The addition of the extended day program is one of the ways in which we will address the individual needs of our students.

Students will be selected based on greatest academic need, but all may apply. Transportation will be provided, but will not begin on Tuesday, October 8, 2019. Parents will receive notification via Global Connect or shout point call, and written notification of when transportation will begin. Students who begin on the 8th will need to be picked up no later than 4:45 pm from the front of the school. Below is a list of intended after school program dates for the remainder of the year. You will be notified if there are any changes.

Feel free to call us if you have any questions.
