## Our Mission

**"We Are Buzzing to Excellence"**

Wheeless Road Elementary School's mission is to provide students with a clean, safe and nurturing environment in which they are afforded the opportunity to be educated by the highest quality educators who utilize research-based teaching strategies and engaging opportunities using STEM while ensuring academic rigor.

## Our Story

Wheeless Road Elementary School is now in our new state-of-the-art building. We are excited with the aesthetics and new technology in the building. Our teachers are committed to providing research-based instruction whether virtual or Face to Face. Although, we are in a new building, "Excellence" is still our expectation.

Our Students:

**524 Enrolled**

## Our CCRPI Stats

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in five main categories, for a total of 100 possible points. In 2019-2020, statewide accountability was suspended due to COVID-19 closures.
