

## About Title I

### School-Parent Compact

The Academy of Richmond County (ARC) and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act (ESSA), agree with this compact. The Compact outlines how the parents, the entire school staff, and the students will share responsibility for improved student partnership that will help students achieve high standards.

### Jointly Developed

The school, parents, students and other stakeholders were provided the opportunity to jointly develop the School-Parent Compact. Parents are encouraged to attend annual and/or revision meetings held between August and May to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the Annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current School-wide Title I program. Parents are always welcome to visit our Parent Center. We have a variety of resources available. Please see the Parent Facilitator about any barriers such as homelessness or home-life problems that may keep you and your child from successfully achieving educational goals.

## Student Achievement Goals
