

Business Education & Computers

5th through 8th Grade

Business Education

Welcome to the BUS 101 Course!

We'll be kicking off this class with a general overview of Business and then use each week after to dive further into specific areas of interest within the general business environment. Here is a preview of the topics we will cover this week:

Role of Business Objectives

- Define the concept of business.
- Distinguish between for-profit and non-profit organizations.
- List the four factors of production required to sustain a business.
- Identify the primary functional areas within a business and describe their contribution to the organization.
- Identify business stakeholders and describe their relationship with business organizations
- Identify the external forces that shape the business environment.
