CORRELL SCHOLARS PROGRAM ALUMNI SPOTLIGHT

Susanna Hall

Susanna is a 2017 graduate of Thomas Jefferson Academy. She entered the bachelor's degree program at EGSC because she liked the smaller atmosphere. After being accepted into the Biology program, she became a Correll Scholar. While at EGSC, Susanna was the vice president of the Student Government Association, part of the STEM Club, Beta Beta Beta Biological Honors Society (TriBeta) and the Book Club.

Susanna decided to continue her studies at the medical school at Mercer University. She was awarded the Mercer University School of Medicine Physicians for Rural Georgia Scholarship. The scholarship is awarded to students who are committed to practice medicine in medically underserved rural areas of Georgia.

Susanna said she wanted to pursue this scholarship because of her strong ties to South Georgia and her dream of coming back to the area of Swainsboro to open her own pediatric and internal medicine practice.

“As a student, the financial aspect of college weighs heavy in deciding to pursue further education. Fortunately, through the Correll Scholarship and affordability of EGSC, I was able to graduate with no debt. None! As I begin medical school as a Nathan Deal Scholar, it is nice to know that most of my schooling will be paid for.”

Class of 2020
