All About Me

My name is Mrs. Boyd, and I'm a proud Augusta native and graduate of A.R. Johnson Magnet High School. I earned my B.S. and M.S. in Healthcare Administration, as well as an M.A. in Elementary Education, from the University of Phoenix. I'm currently pursuing an Ed. S. in Instructional Technology and a Tier 1 Leadership Certification at Kennesaw State University.

Before teaching, I worked in Richmond County Schools for six years in various administrative roles. I've been teaching for five years and have experience in 2nd, 4th, and 5th grades. I truly believe teaching is my calling.

I've been married for 10 years and am the proud mom of three boys: Caleb, Bryson, and Latony Jr. In my free time, I enjoy traveling, watching football, and spending quality time with family and friends.
