Dear Gracewood Elementary Students, Parents, and Community Members,

I am thrilled to introduce myself as the new principal of Gracewood Elementary! It is an absolute honor to serve this amazing school and community, and I am filled with excitement for the journey ahead.

At the heart of my leadership is a deep love for children and a passion for learning. I believe every child deserves to feel safe, valued, and inspired to reach their fullest potential. At Gracewood, we will continue to nurture a culture where students are empowered to grow academically, socially, and emotionally.

I also believe in the strength of community. Parents and community partners are essential to the success of our school, and I am committed to building strong, trusting relationships with each of you. Together, we will create a school where excellence is expected, kindness is practiced, and every child is celebrated.

Gracewood will be a place of joy, growth, and unity. I look forward to meeting you, listening to your hopes for our school, and working together to make those dreams a reality.

Thank you for the warm welcome. I'm ready to lead with intention, commitment, and purpose for our school community!

With excitement and gratitude,

Dr. K. Herrington
