GHEP PARENT CENTER WELCOME

Welcome!! My name is Felecia Lovett. I will be your Parent Facilitator here at Glenn Hills Elementary School. It is with great honor and humility that I go about the task of serving my school community by assisting parents in the education of their children. My role as Parent Facilitator is to work closely with parents and school administration to create a welcoming environment and improve parent involvement here at Glenn Hills Elementary. I will be working with Principal Shawnda Spruill and her administrative team to address parent issues and concerns at the school.

PARENT ENGAGEMENT

Here at Glenn Hills Elementary, we are committed to giving families the tools they need to be full partners in the education of their children. I encourage you to learn about what you can do at the school by getting to know your child's teacher, getting involved, and joining us at our monthly PTO Meetings. **DON'T FORGET TO JOIN PTO.** Your voice and participation as a parent are very important. I will work closely with you to ensure that your concerns are addressed and needs met. Parent involvement is one of the key factors in your child's success!!

PARENT FACILITATOR GOALS

- *Create a parent center where resources and information are readily available, and where partnerships between home, school and community-based organizations can thrive.*
- *•Challenge parents to take an active role in your child's learning. Family and community engagement have a positive impact on school improvement.*
- *•Support/inform families of meal distribution and other necessities during this Pandemic and tough economic times.*
