What is Title I?

Jenkins-White Elementary is identified as a Title I school as part of Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family

engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how **Jenkins-White Elementary** will provide opportunities to improve family engagement to support student learning.

Jenkins-White Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that **Jenkins-White Elementary** will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Jenkins-White Elementary School invited all parents to attend our annual School Forum last spring to review and revise this parent and family engagement policy, as well as the school wide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. **Jenkins-White Elementary** will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook that is given to all students. The plan will also be posted on the school website and social media. Parents can also retrieve a copy of the plan in the Parent Resource Center and front office.

2025-2026 JWES Goals

During the 2025-2026 school year, we will achieve a 6% growth in the number of students performing on grade level in ELA and Math as measured by the BOY iReady Diagnostic.

During the 2025-2026 school year, we will implement tiered, targeted professional learning and actively incorporate staff input as measured by staff surveys and TKES ratings.

During the 2025-2026 school year, we will create a zero-tolerance environment for bullying by reducing the perception of bullying incidents among students from 38% to 32% representing a 6% decrease as measured by school climate survey.

School-Parent Compacts

As part of this plan, JW Elementary and our families will develop a school-parent compact, which is an *agreement* that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compact will be reviewed and updated annually based on feedback from parents, students, and teachers on a survey. The

School-parent compact is shared with parents during parent-teacher conferences and kept with each child's teacher if parents need another copy.

Parent and Family Engagement

Jenkins-White Elementary believes that family engagement means the participation of parents and family members in regular two-way, meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

- ✓ Provide monthly trainings for staff during their planning periods on strategies to improve communication with parents and ideas to increase family engagement with reading and math activities for our students outside of the classroom. Staff will also share best practices during regularly scheduled faculty meetings.
- ✓ Share information on the school blog and in the school web page for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, school marquee, and flyers.
- ✓ Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
