

JUNIOR COUNCIL PROCEDURES AND GUIDELINES

The goal of the Junior Council is to develop leadership abilities in students, promote democracy as a way of life, and establish and uphold high standards. A student council is defined as “a group of volunteer students working together with an adult advisor, within the framework of a constitution, to provide a means for student expression and assistance in school affairs and activities and give opportunities for student experience in leadership while encouraging school activities that promote citizenship, scholarship, leadership, human relations and cultural values.” A Junior Council member holds these ideals.

Junior Council is overseen by an adult sponsor/advisor, who is committed to youth leadership development, promotion of citizenship and the ability to devote the necessary time and energy to ensure the success of the council.
