

Greetings Parent (s),

I am pleased to welcome you to the W. S. Hornsby 2021-2022 School year and sports season. As the Physical Education & Health teacher, as well as the middle school sports Athletics Director and Coach, I have the responsibility to provide leadership and motivation to all the Jaguar student-athletes. All sports require dedication, commitment and enthusiasm, and if there is a lack of either one of these components this program cannot function properly.

The purpose of this letter is to inform the parents and student-athletes that academics and discipline is the foundation of our program, and we will not accept anything less than total commitment. Student achievement is the most important part of this program. Education outweighs anything a player does during their respective sports seasons.

Parents, please know that the Jaguar Athletics staff is here to help your child succeed throughout the entire school year. We want each student to be able to reach their full potential. We ask that you continue to work with us as we help each player to become all that they can be. You will be notified of any problems or situations that may arise during this season.

On behalf of myself and the entire coaching staff I would like to welcome you to the W. S. Hornsby Jaguar family.

Thank you for your support
