

Welcome to 2nd Grade!

Hello and welcome to 2nd grade! My name is Heidi Galvin and this is my 15th year of teaching! I graduated from Augusta State University and I also achieved an additional reading endorsement certificate.

Some fun facts about me:

- I am a competitive bike rider (riding 50-70 miles every weekend)
- I was almost born on an airplane over Paris, France
 - I have identical twin daughters
- I enjoy swimming, soccer, cooking, reading, scuba diving

What I enjoy about teaching is learning all about each child and what makes them unique. I want to make connections with them and help them with their strengths and weaknesses. I want to provide a friendly environment they will love to learn in and want to come to each and every day. I want to promote collaborative play while learning at the same time.

I look forward to a wonderful school year ahead with lots of fun and learning. You may contact me at:
