All About Me!

Hello! My name is Laurel Carter. I am a native of Grovetown, GA. This will be my third year of teaching! In May 2021, I graduated Summa Cum Laude with a Bachelor of Science degree in Early Childhood Education. In May 2023, I received my Master of Education degree in Elementary Education with a 4.0 GPA. I am currently working on my Educational Specialist degree in Elementary Education. Teaching is my true passion and such a rewarding career. I am a firm believer that education is highly essential to the empowerment of our youth! All children are unique and must be provided with a positive and supportive learning environment where they grow physically, mentally, emotionally, and socially. As an educator, it is my top priority to provide that positive and supportive learning environment, where I will ensure to promote student engagement, enhance student motivation, and create sparks within young minds. I am looking forward to serving and educating your child this school year!
