Terrace Manor's Vision

The vision of Terrace Manor Elementary is to empower students with 21st century skills and knowledge to become productive citizens.

A Collaborative Effort

The Terrace Manor Elementary School Community recognizes that parental involvement is critical to success of any child's education. Consequently, a plan to maximize parental involvement as outlined in this brochure was formulated.

Parents are invited to the annual revision/input meetings where they are given the opportunity to review the current compacts and school involvement policy, complete a survey and give input for the parent involvement portion of the Title I budget. The changes and suggestions are then incorporated into the revised documents for the current school year.

The revised documents are shared with all stakeholders at the Annual Title I Parent Engagement meeting as well as sent home and uploaded to our school website.

What is Title I?

Terrace Manor Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA) which was signed by President Obama on December 10, 2015, and represents good news for our nation's schools. This bipartisan measure reauthorizes the 50-year-old Elementary and Secondary Education Act of 1965 (ESEA), the nation's national education law and longstanding commitment to equal opportunity for all students.

The new law builds on key areas of progress in recent years, made possible by the efforts of educators, communities, parents, and students across the country. Its overall purpose is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and assessments. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

This policy describes the different ways that Terrace Manor Elementary will support parent engagement and how parents can help and participate in activities and events to promote student learning at school and at home.

The updated school's parental involvement policy is posted on district and school Web sites and distributed during the annual Title I school meetings.

Terrace Manor Elementary School "Tigers ROAR"

Terrace Manor Elementary School has established the following objectives and will implement strategies to increase parental and community involvement in our school:

We will...

Jointly develop and distribute a parental involvement policy and parent-school compact (in English and Spanish) that the school, staff, parents and participating children agree on.

Ensure that all stakeholders are fully informed about school related events and information via the school's website, monthly newsletters, flyers, social media, marquee and calling post messages.

Ensure that parents have an understanding of the curricula, students' proficiency levels, and assessments that are used to determine students' progress and inform academic decisions for their children.

Provide weekly academic and behavior progress reports that will be sent home as needed.

Collect feedback from parents at all events and periodically update the parental involvement policy to meet the changing needs of parents and the school.
