

Early Intervention Program

What is it?

The purpose of the Early Intervention Program is to provide additional instructional resources to help students who are performing below grade level, obtain the necessary academic skills to reach grade level performance in the shortest possible time.

Benefits of the program:

- Personalized learning
- More frequent small group instruction
- Targeted intervention
- Additional instructional resources

How are students selected?

Students are placed into the EIP program based on a variety of indicators, which includes results from local and/or State assessments in English language arts/reading and mathematics, EIP Rubrics, and/or portfolios, and/or district criteria checklists.
