## Early Intervention Program Program Notification Form (Placement)

Date: \_\_\_\_\_

Teacher/Grade: \_\_\_\_\_

Parent Name: \_\_\_\_\_

Student Name: \_\_\_\_\_

Dear Parent:

The Richmond County School System believes that educators should have high expectations for all children. It is our responsibility to help students achieve the academic goals of performing at or above grade level in all subject areas. Children come to school at different stages of development and do not all learn at the same rate or with the same methods of teaching. Because of their differences, most children learn best when they are in small groups and have access to materials and activities which are adjusted to their pace and style of learning.

Your child has been selected to receive additional assistance in reading and/or math through the Early Intervention Program (EIP). In this program a certified teacher works in collaboration with the regular classroom teacher to provide supplementary instruction based on the needs of each student. Please review the presentation on the parent tab of the school's website at [www.rcboe.org/copeland](http://www.rcboe.org/copeland) for information regarding this opportunity. If you have any questions, please call the Early Intervention Program Specialist below.

Dr. Laurie P. Taylor  
Principal
