After School Tutoring

Dear Spartan Parents,

Glenn Hills High School's After school tutoring will begin Monday November 15, 2021. We will be offering tutoring services to students who need additional help in their classes, are in need of grade recovery, or just want to improve their academic performance. Tutoring will be held Mondays through Thursdays from 3:00 to 5:00 as well as on Saturdays from 8:00 to 12:00.

Currently, transportation is not being provided. We will, however, continue to look for ways to provide transportation in the future. Please fill out the bottom portion of this form if you are interested in your child attending after school. Please remember that regular attendance is required in order to remain on our after school roster. Feel free to reach out if you have any questions.
