

# MEET THE TEACHER!

Ms. McRae

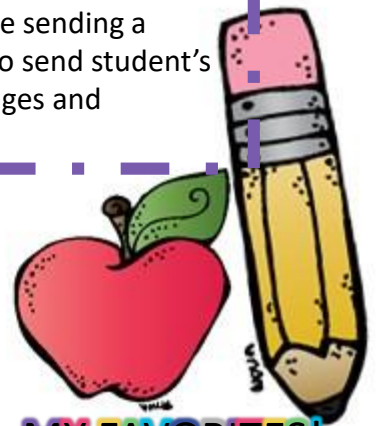

Hello!

Hi! My name is Ms. McRae! I live in Martinez and I have three dogs; Evie, Bowie, and Arlo. I love staying home to read, going to the movies, and listening to music. I will be your child's 1st grade teacher! This will be my first full year teaching, though I was here the last semester of 2022. I will be sending a parent communication folder home **daily**. This will be a way to send student's work and notes that you need to send in (transportation changes and tardy/absent notes).

## MY CHILDHOOD!

I attended Martinez Elementary my entire elementary career. I went to Evans Middle school before being rezoned and graduating from Lakeside High School. During those years, I was a chorus student and took guitar lessons. I was also always reading a book...even when I wasn't suppose to. I also used to play soccer when I was in middle school, but decided it wasn't for me in high school.
