

## WHEELLESS ROAD ELEMENTARY

*Andrea Williams*

### GREETINGS!

I am super excited about my decision to join such an awesome team here at Wheelless Road Elementary as a 5th-grade teacher. More importantly, I am looking forward to partnering with you to ensure both a successful and rewarding year of teaching, learning, and academic growth for your child.

Before moving to 5<sup>th</sup> grade, I served as a teacher in both 2<sup>nd</sup> and 3<sup>rd</sup> grade.

I am originally from Mississippi. My loving husband, an Augusta native, and I have a blended family of seven and two beautiful grandchildren.
