Grading System/Assignment Policy:

In grades K-3, students will receive a standards-based report card using a number system. The purpose of the new reporting system is to provide parents, teachers and students with more accurate information about students' progress toward meeting standards. Parents will be more aware of what their children should know and be able to do by the end of each grading period. 1- Beginning Learner 2-Developing Learner 3-Proficient Learner 4-Distinguished Learner
